

## WELCOME

Are you anxious about putting your child on the bus for the very first time? Would you like to know more about Track-a-Thon? A Partner Family can answer these and many other questions you may have when the school is closed or after office hours.

We are a group of families who would like to make your transition into St. Michael School a little easier. We have been in your shoes and can help you learn the ropes. Having been there, we know that it is comforting to know there is someone you can contact with ANY question, no matter how minor you may feel it is, as you prepare your child to start their first year at St. Michael School.

We will host a get-together on August 21<sup>st</sup> at 9:00 a.m. in the gym. The children can meet other new students, parents can network and teachers may be on hand to greet the students. A light continental breakfast will be served.

Upon completion and return of the information sheet below, we will begin the process of matching you up with a Partner Family. The family will then contact you and help answer any questions you may have throughout the summer and into the school year.

Even if you do not participate in the Partner Family Program, please come for breakfast and meet other new families!
